ABOUT US

VISION

Sanjay Inframech Private Limited aspires to be a leader in the field of fabrication and construction. The company achieves a global status based on its consistent quality standards. Delivery, Zero Complaints, Project Execution, and Cust solutions.

MISSION

“To build the future of the world with Innovation, Customization, Quality, and Integrity.”

VALUES

- Doing the right thing
- Having passion for What we Do
- Honesty in all business transactions
- Providing uncompromised quality
- Developing sincere relationships.

SAFETY

Safety is a fundamental priority to SANJAY INFRAMECH and has been built into our everyday work culture. Our HSE program aims at avoiding injury, pursuing the safety, security & health of our employees and the public at large, and minimizing the impact on the environment in which we operate. In this regard, appropriate safety measures are put in place before, during, and after any work while we strictly adhere to our Health, Safety & Environment policies.

ABOUT US

SAFETY

We recognize safety awareness and training as a key player in preventing accidents and incidents. Our employees, therefore, receive extensive training and safety awareness by way of regular and periodic safety talks, including general and departmental toolbox meetings, with the overall aim of educating them on how to perform their duties safely, properly, and in compliance with applicable local regulations and international standards.

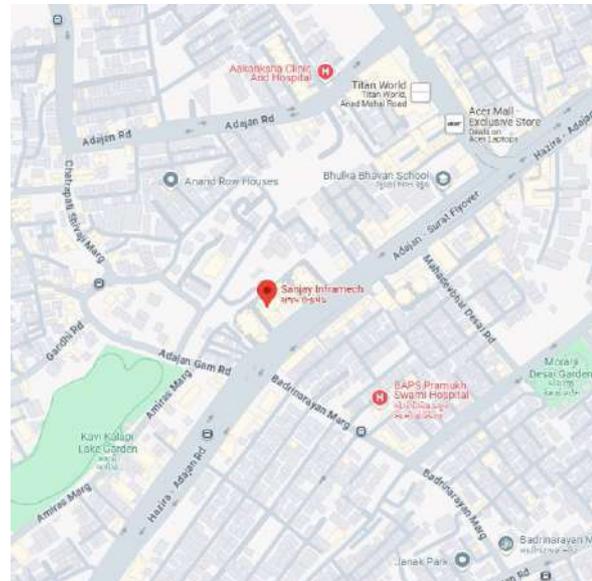

Our overall safety target is ZERO incidents as well as an accident-free and environmentally friendly workplace.
